

## Holiday & Inclement Weather 2023

Please review the Holiday Schedule and Inclement Weather schedule for 2023. We are trying to make our Holidays a little less stressful, for us as a service provider and you as our valued customer. We **cannot convey** to you enough that during Holidays trash is much heavier than usual and that we will add trucks to help us get it picked up in a timely manner, which means that we could add or reverse a route making us much earlier than normal. Always and especially Holidays put your trash out by 6:00am. Save this schedule for reference through-out the year or view online at [www.ambersdisposal.com](http://www.ambersdisposal.com)
