

Holiday & Inclement Weather 2025

Please review the Holiday Schedule and Inclement Weather Schedule for 2025. We cannot convey to you enough that during the Holidays trash is much heavier than usual and that we will add trucks to help us get it picked up in a timely manner, which means that we could add or reverse a route making us much earlier than normal. Always and especially Holidays put your trash out by 6:00 a. m. Save this schedule for reference through-out the year or view online at www.ambersdisposal.com.
